

# Field Trips!

There is always something to do at our woodland center to get your class engaged with nature and our natural resources – both living and non-living- through our various programs!

## Trips Offered:

### The Land of Ice & Fire

An interactive journey into Wisconsin's geology and glacial land formations.

### Art in Nature

A practice in observation skills through outdoor art-making activities

### Follow Your Senses

Follow your curiosity and get an up-close look in their natural environments.

### Down to Earth

Uncover soil's role as the foundation of all life.

Maple Sugaring  
Offered in March
